

LINER OLYMPIC SAILS DESPITE SEAMEN'S STRIKE

Largest Steamer Afloat Given
Great Send-Off on Her
Maiden Voyage.

LONDON, June 14.—Despite the recent efforts of the strike leaders to hold her up, the Olympic of the White Star Line, the largest steamer afloat, got away from Southampton on her maiden voyage to New York early this afternoon. Even this morning there was some doubt that the Olympic would sail on time, but a settlement with her dockhands was finally effected.

The departure of the Olympic was made a gala occasion. J. B. Swan, the American Consul at Southampton, and the Mayor of Southampton, accompanied by his staff, visited the ship just before she weighed anchor, and gave Capt. R. J. Smith, who is also commander of the White Star fleet, an official goodbye. Thousands of people gathered on the pier cheered as the huge vessel began clearing, and every vessel within sight joined in a brazen din of farewell.

The giant steamer carried 4000 passengers, a record for a westward voyage in June. J. Bruce Ismay, Chairman and Managing Director of the White Star Line, was aboard, as were many Americans who had decided not to wait for the coronation ceremonies. The Olympic is due in New York on Wednesday of next week.

The Olympic and her sister vessel Titanic, the latter recently launched at Belfast, are 82½ feet over all—more than 100 feet longer than any other steamer afloat.

The Olympic is scheduled for the fast mail service of the White Star Line's New York-Plymouth-Cherbourg-Southampton-England Channel route. She will sail from this port on June 24.

EXEMPT CHURCH TAXES.

Some Religious and Charitable Properties Need Not Pay.

The Sinking Fund Commission to-day voted to exempt from the payment for public improvements and the water rates certain churches, orphan asylums, hospitals, religious orders and seminaries.

These exemptions will include institutions in the Bronx north of One Hundred and Thirtieth street and in the old Twenty-sixth, Thirtieth, Thirty-first and Thirty-second Wards in Brooklyn. These latter wards include the section popularly known as New Lots, Flatbush, Fort Hamilton, Canarsie, Coney Island, Bath Beach and Parkville. The Mayor explained that it would be a hardship on struggling institutions and churches in the outlying districts to be forced to pay the usual assessments and water rates. While these properties are exempt, church rectories are not.

MISS IRENE DIXON DEAD.

Society Favorite Cancer Victim
After Riding Accident.

COLUMBIA, Conn., June 14.—Miss Irene E. Dixon, prominent socially in New York City, Washington, D. C., and Savannah, Ga., died at her summer home here during last night of cancer. She was born in 1869 in Savannah, Ga., and had lived with her mother at 20 East Seventy-seventh street, New York City, during the winter for several years. Three brothers, James M., Charles H. and Meritt W., of Savannah, Ga., also survive.

Two years ago, Miss Dixon, who was a great lover of horses, was driving a pair of horses when they bolted, throwing her to the ground. She was injured and later a cancerous growth developed. The funeral service was held this afternoon, Rev. J. H. Love, of the Fifth Avenue Episcopal Church, New York City, officiating. Burial will be in Oak Hill Cemetery, Washington, D. C.

"LITTLE NOTHING" PETTICOATS

are not only the most fashionable, but the coolest you could possibly wear in warm weather.

Designed so that they will not be uncomfortably narrow nor yet have so much as a superfluous inch in width to mar the straight line effect which is the distinctive feature of this summer's gowns. These dainty petticoats are all gored, have not even the suggestion of a pleat at the waist line, and fasten with buttons. The trimming is flat, or very slightly flounced; no under-ruffles are used; but what has been lost in bouffance is gained in added prettiness.

99c, Nainsook with slightly gathered flounce of scalloped eyeletted embroidery.

\$1.19, Nainsook with two wide insertions and gathered footing of Valenciennes lace.

\$1.69, Nainsook with slightly gathered flounce of lawn and Valenciennes lace, or with 9-inch flounce of Valenciennes lace.

\$2.39, Nainsook with insertion and 8-inch flounce of imitation Richelieu embroidery.

\$3.49, French Lawn with very wide flat band of fine Valenciennes above lawn hem; blue satin ribbon and loops run through the lace just under scalloped top.

Not one of these "Little Nothings" can be duplicated anywhere else at anything like these low prices.
